PARTNERNET

You can work with us in different ways. We are happy to respond to your special needs and wishes. You can find out more about the possibilities of cooperation at www.dr-walter-partnernet.com.

In addition to the appropriate insurance solutions for your customers, you can of course also profit directly from the referral of our insurance policies. By using your agency number, the insurances taken out will be assigned to your account and you will receive a commission.

How does it work?

Either you take out the insurance for your customers yourself and visit the product website via your agency link, or you redirect the visitors of your website to the insurance products with corresponding affiliate links and banners.

These functions are available without registration. Would you also like to have an overview of your current brokered contracts? Then register for PARTNERNET and you will find your current contracts there and can also export them.
