Benefits	AIDWORKER-KFZ						
Scope of insurance	For all motor vehicles, two-wheeled and four-wheeled vehicles that belong to policyholders or employees, insurance cover is provided according to the respective registration if such vehicles are used in project countries. If it is a prerequisite that liability insurance for motor vehicles is purchased in certain countries, the insurance policy purchased in the country in question prevails and the insurance cover from existing vehicle liability insurance is considered dormant for the period in question.						
Area of validity	The insurance policy is valid worldwide. The respective local conditions additionally need to be considered.						
Insurance cover/Insurance certificate	Insurance cover begins – if no later start is requested – on the date we receive the registration. Insurance cover can never be granted retrospectively. After we received the registration, we will provide you with an insurance certificate; on request, we can also provide you with a certificate in English. We cannot provide a green insurance card since the respective sums insured do not meet the conditions required in Germany.						
Vehicle liability insurance	<p>The policy covers settlement of founded claims and protection against unfounded claims for compensation that are brought against the policyholder or co-insured persons on the basis of statutory liability provisions under private law.</p> <p>This policy does neither apply for countries that require a green insurance card nor for countries that require sums insured of more than € 500,000. The policy particularly does not apply for Bosnia, Azerbaijan, Greece, Romania, the CIS States and South Tyrol.</p> <p>Sums insured in vehicle liability insurance:</p> <table border="1"> <tbody> <tr> <td>For motorcycles</td> <td>€ 52,000</td> </tr> <tr> <td>For cars/trucks with a payload of less than 1 ton</td> <td>optionally € 52,000 or € 500,000</td> </tr> <tr> <td>For trucks with a payload of more than 1 ton</td> <td>€ 52,000</td> </tr> </tbody> </table> <p>The sums insured apply for both bodily injury and property damages.</p>	For motorcycles	€ 52,000	For cars/trucks with a payload of less than 1 ton	optionally € 52,000 or € 500,000	For trucks with a payload of more than 1 ton	€ 52,000
