Exclusion of benefits	AIDWORKER-PLUS-RK (AW-PLUS-RK)
------------------------------	---------------------------------------

There is no liability to pay for:	
a)	illnesses including their consequences as well as consequences of an accident and for deaths if they result from active participation in war and unrest or from professional participation in competitions and preparation for such competitions, held by associations and clubs, or if they are recognized as injuries sustained during military service and are not explicitly included in the insurance cover;
b)	deliberately self-inflicted illnesses and accidents including their consequences as well as for withdrawal measures including withdrawal treatment;
c)	treatment by physicians, dentists and in hospitals whose invoices are excluded for good reason from reimbursement by the insurer if the insured event takes place after the insured was notified about the exclusion of benefits. If an insured event is pending at the time of notification, there is no liability to pay for costs incurred after the expiry of three months following such notification;
d)	treatments in health resorts or sanatoriums as well as for rehabilitation measures by statutory rehabilitation providers if the tariff does not state otherwise;
e)	remedial treatments in a spa or health resort. The restriction does not apply if treatment becomes necessary during a temporary stay due to an illness which is not related to the purpose of the stay or due to an accident which occurred on location. The liability to pay exists as long as departure is impossible according to medical opinion. The restriction also does not apply if the treatment takes place at the spa or health resort or in its immediate proximity due to the insured person's place of residence.
f)	for treatments or other services by the insured person's spouse or partner, parents or children; proven material costs shall be reimbursed according to the tariff.
g)	for accommodation necessary due to the need for long term or custody.
