All premiums per month			

Benefits

- ✓ Health insurance including personal liability and accident insurance
- ✓ Optional preventive care, check-ups, and vaccinations
- ✓ Au pair activities are also covered
- ✓ Travel and return journey also covered
- ✓ Terminable on the day

Who is Provisit Au-pair24 for?

- ✓ For German host families and their au pairs from non-EU countries
- ✓ For German host families and their au pairs from other European countries

Provisit Au-pair24 is ideal for host families who value comprehensive, worry-free insurance coverage for their au pair from abroad. Our insurance is particularly suitable for families who want maximum security. You benefit from one of the most comprehensive insurance coverage packages on the market, including higher liability insurance sums.

Preventive medical checkups and vaccinations can also be covered. The "XL" tariff is one of the few au pair insurance policies that covers the costs of preventive care, checkups, and vaccinations up to €500 per year. This is not only particularly important for the health of the au pair, but also for the health of the host family.
