With Provisit Study Secure, foreign students in Germany can take out comprehensive health insurance. Provisit Study Secure is particularly recommended for students aged between 28 and 38. From the start of your studies, you are optimally covered with ottonova Study Secure Premium and ottonova long-term care insurance. If you arrive in Germany before the start of your studies, DR-WALTER will provide you with free health insurance for up to 92 days.

Provisit Study Secure is a private, substitutive full health insurance (§ 146 VAG, § 193 paragraph 3 VVG). This means that it corresponds to the scope of benefits of German statutory health insurance. That is why it will be recognized by all authorities and universities in Germany and Europe. To be precise, Provisit Study Secure even exceeds these requirements and offers a few more benefits than statutory insurance. And costs less.
